EDITORIAL.

"The old order changes yielding place to new,
And God fulfills himself in many ways."

Again we reach the end of another year of bushwalking and we can look back, with some pride on a very succesful year. Within our own club, our Club hut has almost become a reality thanks to the efforts of the Club members and in particular the members of the sub-committee. We have also witnessed a considerable upsurge in interest in the bushwalking side of our activities, which is reflected in the large numbers attending trips. On a broader front we have seen the Federation of Bushwalking Clubs established on a firm footing with every prospect of becoming a considerable force for good in the bushwalking world.

The next task at the beginning of the new year is to elect a committee which will run the Club well, and then give them every support.

This trip necessitates a long run on the Friday night and members should pack their rucksacks with a view to transhipping them to a truck for the trip from Emu Vale.

This area which includes Mt. Superbus with its Lincoln Wreck and Conn's Plains, as well as the very unusual steamer formation, will provide ample scope for a Three day weekend. Water bottles are a necessity.

Mass will be said at the Camp on the Sunday.

This represents another opportunity for members to show their faith in the Club Hut project by working towards its completion.

Many hands make light work and on this weekend plenty of work will be found for as many hands as like to show up.

Members who have not seen the hut for some time will be surprised at the progress which has been made and will be fired with enthusiasm to complete the project.

ANNUAL CONCERT.

The annual concert has been put back to May 29th. to allow more time for rehearsals. Many more members would still be welcomed to make this a real CLUB effort not just another show by the few. Rehearsals are held every Tuesday night at the New Farm Parish Hall (in the side street behind Wynberg). If anyone has any ideas for an item, please contact the Social Secretary. Now how about a really big roll-up at the next Rehearsal?
