EDITORIAL

(Col. McLellan)

This is the time of the year when bruised and battered, the Editor says farewell as nicely as possible. The Circular has unfortunately been lagging a little lately in giving enough time of approaching trips and in all probability the same result will occur in the case of the Mt. Ernest and Campbell's Folly trip in early April.

It is usually found that an Editor has exhausted his inspiration at the end of twelve months and the present case is no exception; however a new Editor will bring a new approach to the situation and at the same time will be doing a most important job in publicising Club activities and functions. The best of luck to him and to the Committee in general for the coming year.

WEEKEND TRIP - MOUNT ERNEST AND CAMPBELL'S FOLLY.

DATE: APRIL 6TH and 7TH, 1968. LEADER: LARRY CORKRAN  
NOMINATE IMMEDIATELY and be at Roma & Turbot Streets, 6.30 p.m.  
on the Friday.

Mount Ernest and Campbell's Folly are on opposite sides of the headwaters of the Logan River. They are situated 70 miles south of Brisbane and they are flanked by the massive peaks of Lindesay and Barney to the South and North. Campbell's Folly presents a precipitous eastern view but is one of the easiest mountains from the western side. Mount Ernest is noted for its knife-edged reach and its spectacular views of the most outstanding mountains in Southern Queensland.

The scenery along the banks of the Logan River and Cronan Creek is spectacular and this trip provides scope for activities ranging from the most energetic to the languid.

ANNUAL GENERAL MEETING - TEMPERANCE HALL - WEDNESDAY

17TH APRIL, 1968 - 7.30 P.M.

Once again we kick off at 7.30 p.m. and everybody is now aware, we hope, that this is our Annual General Meeting. Election of officers will be held and also the many reports will be received. You will be given the prime opportunity of identifying your new office bearers and Committee so come along and do your part in deciding on the chosen people.

-----  
SAFETY AND TRAINING AND NEW MEMBERS DAY - SUNDAY APRIL 28TH.

LOCATION - GUANABA GORGE

This trip is open to all new members and people interested in Safety and Training which means of course that everybody in the Club and all interested in joining it, are eligible. Arrangements will be made by both the retiring and the new Safety and Training Officers and various items of equipment will be on display.

It is also hoped to arrange demonstrations in map reading and similar ventures and as the Guanaba Gorge, which is situated on the Eastern side of Tamborine Mountain is well worthy of a visit any time, this day should be one to remember.

Please nominate by the 21st April and assemble at the Cnr. of Roma and Turbot Streets at 9 a.m. for transport. Also endeavour to encourage any person who may be interested in bushwalking activities to come along with you on this day.

-----  
Therese Moynihan seen ramming Zephyr, the big bully.  
Lynette Moynihan farewelled first patient recently.  
..... He was buried at 6p.m.

DATE: Long Weekend 3rd to 6th May.

PLACE: WYBERBA.

LEADER: JOHN GRAHAM.

NOMINATION DATE: Monday 29th April.

DEPARTURE TIME: 6.30 p.m. Friday - Roma and Turbot Streets.

Wyberba embraces the great granite studded country of the Stanthorpe/Wallangarra district and covers several National Parks both on the Eastern and Western sides of the highway. This particular trip will probably be on the western side of the isolated areas in the vicinity of Red Rock Cutting and the rather depressingly named Rat's Castle. It is rumored that John has found the elusive Cattle Trap Falls which have apparently not been seen by Mortal Man since they were first discovered.

It is suggested that you bring your warm woollens on this trip as the Stanthorpe area has a most bracing climate in autumn and winter.

TENTH ANNIVERSARY SPECTACULAR - SUNDAY APRIL 21ST MOUNT GLORIOUS

Another reminder to attend this function without fail. It will be held in the Valhalla Like surroundings of Maijala National Park, Mount Glorious and plenty of room is provided for ancient grey beards and new born babes alike to indulge in social activity. There are walks through the National Parks track system for those so inclined and plenty of green grass for elderly members to recline on and to discuss the early history of the Club with fellow members.

The Social Committee is going to a lot of trouble to arrange various activities for the day and a large roll up is confidently expected. Please assemble Cnr. Roma and Turbot Streets 9 a.m.

SUNDAY MAY 12th - ANNUAL CLUB MASS - HOLY SPIRIT CHURCH  
NEW FARM

It is well known that the Club conducts two Annual Masses each year, one for the active walkers on Mount Barney and the second one for both the active and inactive members in Brisbane. As has been usual over the last few years, the Annual Mass will again be held at the Holy Spirit Church, New Farm and the Club Chaplain, Father Aspinall will be the Celebrant. Mass will commence at 11 a.m. and although a good roll up will be guaranteed, it is hoped that every single member will endeavour to be present on this occasion.

In accordance with tradition, we will then be dining together at the Jacaranda Room, Hotel Canberra and full details of the cost of each booking will be given in the Annual General Meeting on April 17th. Nominations should be posted together with a remittance for the Hotel Canberra function by May 5th and as some confusion has resulted in previous years, it is pointed out that it is quite in order to go to the Mass without proceeding further to the Jacaranda Room.

If you have only the morning to spare, come along to the Mass but the function that follows is a very pleasant one and if at all possible, come along with us to the Hotel. The dinner usually terminates at about 2.15 p.m.

-----  
GENERAL MONTHLY MEETING - MONDAY MAY 20TH - TEMPERANCE HALL

This will be the first meeting in which our new office bearers and committee will face their public. Come along and leer at them and ask them any embarrassing questions that you can manage provided of course that they are about the Club activities. A guest speaker has not yet been arranged as a new Committee will have the privilege of selecting a suitable person.

SUBSCRIPTIONS ARE NOW DUE

ALAS AND ALACK

The hard sell has commenced already. As the subscription rate for the current year will be determined at the Annual General Meeting, it cannot yet be said how much will be extracted from each person.

However please start saving, visiting Hire Purchase Companies, or cultivating your Bank Manager as you will be asked very shortly indeed to contribute a fair amount of your Savings to the Club to keep yourself financial for the year ahead.

ITEMS OF GENERAL INTEREST

Please watch future circulars for an amended list of Contact Officers. Unfortunately Mary Leahy has been transferred to Rockhampton and is unavailable for this purpose.

New members are reminded that packs and tents are available for hire on weekends and application to the Outings Secretary is all that is needed. Any person considering buying equipment for the first time is suggested to contact Paul Wijngaarden before doing so.

A suggestion has been made that the additional notices of amendment of constitution be placed in a circular before the amendment is voted upon and any motions which are carried should be included in the following circular on a separate sheet or section. This is a sound proposal and is passed on to the new Committee.

Therese Moynihan announces that a Bowling Social night will be held at the Exhibition Bowl on April 26th. Endeavours are being made to have various Catholic Social Groups form teams and interested people are asked to contact Therese for more information.

Peter Murphy announces that the weekend of 18/19th May will be utilized by the Federation of Bushwalking Clubs to commence track clearing activities in the Binna Burra district. This is a very worthy cause and all interested people are asked to contact Peter to establish what equipment etc. is needed. Also contact the new Outings Secretary to ascertain what club arrangements are being made in this regard.
